Inspector Gerald Zeosky
New York State Police
Forensic Investigation Center
1220 Washington Avenue, Building #30
Albany, New York 12226-3000

Dear Inspector Zeosky:

I am pleased to inform you that on June 27, 2011 the New York State Commission on Forensic Science reviewed the binding recommendation from the DNA Subcommittee and approved the use of TrueAllele[®] technology for forensic casework.

On behalf of the Commission, I thank you for your continued compliance with the accreditation requirements in New York State.

Very truly yours,

Sean M. Byrne
Chair
